

ST. JOAN'S SCHOOL

ADMISSION

All the children of class V of St. Joan's Primary School will first all get admission in class VI of St. Joan's School.

The age of class VI as on 31st March of the year of admission should be 11+ years. Thereafter subject to availability of seats in class VI or any of the higher classes registration forms for admission will be issued on specific dates which will be notified on the school Notice Board.

The candidates will have to appear for an admission test and will be examined at the standard immediately below that to which they seek admission.

The selection for admission shall be made entirely on the results of these tests and subsequent interviews and on no other consideration. The decision of the principal MRS. DEBJANI GHOSH regarding selection of a candidate for admission is final and binding.
