

**ST. JOAN'S SCHOOL**  
**SCHOOL TERMS VACATIONS AND**  
**EXAMINATION SCHEDULE**

The scholastic year comprises of two terms, i.e. From April to October and end of the term i.e. From November to March.

There are three vacations namely- Summer Vacation of one month i.e. In May / June, Puja Vacation of four weeks i.e. In October / November and Christmas Vacation of four weeks i.e. In December / January. These Vacation will be mentioned in the holiday list along with the National and Festive holiday.

There will be Two Terminal Examinations in the scholastic year. The First Terminal and the Final Examination .The First Terminal Examination will be held after the Puja Vacation and the Final Examination sometime in February / March.

**ST. JOAN'S SCHOOL**

**A EXAMINATION SCHEDULE**

**FOR CLASSES VI-X & XI,XII**

The examination procedure remains the same, there will not be any weekly test instead there will be Block Test in the month of August which will be conducted on some Chapters per subject and will be notified by the subject teacher.

Every Student must appear for the class tests and Block test, as 30% of the marks of class test and 30% from the Block test and 40% from the terminal test will be taken and the student will be assessed on 100 marks per subject during the midterm examination and final term examination.

Home work and class work will be internally assessed and graded.

In all the examination maximum of 40% question will be unseen, a thorough preparation will be required for this. No average marking will be done.

If a student is remain absent from school for a period of 15 days or more at a stretch, if the percentage of attendance is less than 75% in a particular term, then he/she will not be promoted to the next class.

Pass marks in each subject is 45%.

For Class VI – X & XI, XII Midterm examination assessment will be made only on the Midterm Syllabi. Only the final term assessment will be made on the full Syllabi for the year.

For Class I – V examination will be held semester wise. The chapter which will be assessed in the midterm will not be included in the final term, except for Arithmetic, Grammar & Computer Science.
