Results of Inter-school Robotics Championship 2024 Stage - II

Congratulations to all the participants, mentors, and schools on the successful selection to IRC 2024 Zonal Rounds! This remarkable achievement showcases your dedication, creativity, and teamwork. A special thank you to each school for their unwavering support, providing the resources and encouragement that have enabled your teams to thrive.

As we gear up for the zonal rounds and prepare for the grand finale, let's continue improving our robots, enhancing their performance, and refining our strategies, keeping in mind the time-bound nature of the game. Your efforts are not only for this competition but also part of a larger mission to make India a global leader in robotics and technology. Together, we are contributing to building a more self-reliant and innovative India.

Remember the words of Mahatma Gandhi, "***The future depends on what we do in the present.***" reminding us to stay focused and committed as we advance. And as Dr. APJ Abdul Kalam said, "**Excellence is a continuous process and not an accident**."

Let these words inspire you as you plan, strategize, and perfect your robots for the upcoming challenges. With perseverance and innovation, we will not only excel in this competition but also contribute to India's journey towards technological excellence!"
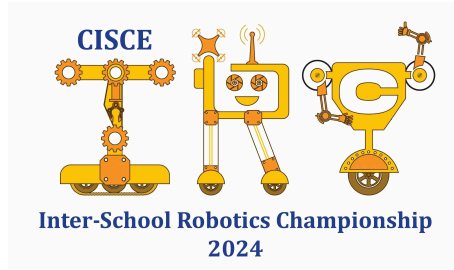

Looking forward to seeing you all at Zonal Venues!

Best Wishes.

IRC Organizing Committee.
